In spring 2015 a second self-service Presto Restaurant was opened in The Park Chodov Business Centre. It is thus an addition to the first Presto, which was opened at the beginning of 2014 in Florentinum. Presto is a network of self-service restaurants in business and administrative centres, known for its high standard of gastronomic services, the design of a restaurant, the speed of a fast-food, and clean environment.

Presto Florentinum offers a daily choice of five main dishes, two soups, a variety of ready-made salads, a salad bar, delicious home-made desserts and cakes. Breakfast in Presto, prepared by our staff according to your wishes, is an ideal start of your workday. You can also choose from a variety of sandwiches and baguettes.

Presto Chodov offers a unique DOT system – a state-of-the-art catering system where the customers can choose from the daily menu or compose their lunch according to their wishes and preferences. You can also choose from a wide range of salads that are always fresh, home-made cakes, desserts, and home-made lemonades. Breakfast in Presto – an ideal start of your workday.
